# Digital Mural

By Anya, Ava, Dan, Ethan, Miles, and Sage

Our Story

- Gaining and Losing Students
- Remember Previous Classes
- We're the Graduating Class!

What?

- Website for senior classes to make a digital piece of artwork to commemorate the past year
- Similar to online yearbooks
- Theme of each page can go with the theme of its respective year

Features

- Page for senior classes to create a digital "mural"
  - Symbols that represent the class
  - Pictures and anecdotes
  - Quotes from the years
- Timeline of the classes at DTS
  - Shows growth of the school
  - Fun for future classes to look back on
- Alumni Achievements
  - Shows what alumni are up to after DTS
  - "Anya Nyman '21 cures rabies"

Why?

- To remember the past Students and how cool they were.
- Brag about the accomplishments/good things we did
- Unites current and past classes
- Fun for future students, alumni, and teachers to look back on

FUTURE

How?

- Domain name: $20-60 a year
- Ethan can create the base website while all students at the school can design their class page as they become seniors
- Relatively cheap when considering some of the other options
